

When people think of a scientist, they often have the stereotypical image of a white man in a lab coat in mind.

# ARE YOU THE SCIENCE TYPE? CHALLENGING STEREOTYPES!

- ▶ Watch the powerful movie “Not the Science Type” that questions the stereotypical notions about scientists.

- ▶ Discuss with distinguished guests from science and research:

**Insa Thiele-Eich**  
Astronaut  
Climate researcher

**Nele Matz-Lück**  
Law professor  
Podcast „Erschöpfte Wissenschaft?!“

**Isabell Melzer-Pellmann**  
Experimental particle physicist  
Researcher at DESY & LHC CERN

**Anneke Steegh**  
Gender researcher  
Science educator

Moderation by:  
**Robert Frischbier**  
Consultancy „2PAARSchultern“  
Moderator, coach

Presented by:  
**Gender Equality & Diversity Consortium**  
CRC 1261  
CRC 1461  
KiNSIS

- ▶ Exchange thoughts and experiences over free drinks & finger food.

Date: Thursday, 20.02.2025, 3:00 - 5:00 p.m.  
Location: STUDIO - Filmtheater am Dreiecksplatz
